Line 6. Enter only one tax form number (1040, 1065, 1120, etc.) per request for all line 6 transcripts request types.

Line 6a. Return Transcript includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-H, Form 1120-L, and Form 1120-S. Return transcripts are available for the current year and returns processed during the prior 3 processing years.

Line 6b. Account Transcript contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns.

Line 6c. Record of Account provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years.

Line 7. The IRS can provide a transcript that includes data from these information returns: Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript. Enter up to three information return types. If no specific type is requested, all forms will be provided. State or local information is not included with the Form W-2 information. The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, Form W-2 information for 2016, filed in 2017, will likely not be available from the IRS until 2018. If you need Form W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213.

Line 8. Enter the end date of the tax year or period requested in mm dd yyyy format. This may be a calendar year, fiscal year or quarter. Enter each quarter requested for quarterly returns. Example: Enter 12 31 2018 for a calendar year 2018 Form 1040 transcript.

You must check the box in the signature area to acknowledge you have the authority to sign and request the information. The form will not be processed if unchecked.

Signature and date. Form 4506-C must be signed and dated by the taxpayer listed on line 1a and, if listed, 2a. The IRS must receive Form 4506-C within 120 days of the date signed by the taxpayer or it will be rejected. Ensure that all applicable lines, including lines 5a through 8, are completed before signing.

Authorized Representative: A representative can sign Form 4506-C for a taxpayer if the taxpayer has specifically delegated this authority to the representative on Form 2848, line 5a, and Form 2848 is attached to the Form 4506-C request. If you are Heir at Law, Next of Kin, or Beneficiary, you must be able to establish a material interest in the estate or trust. If Form 4506-C is signed by a representative, the Authorized Representative check box must be marked.

Electronic Signature: Only IVES participants that opt in to the Electronic Signature usage can accept electronic signatures. Contact the IVES participant for approval and guidance for electronic signatures. If the Form 4506-C is signed electronically, the Electronic Signature check box must be marked.

Individuals. Transcripts listed on line 6 may be furnished to either spouse if jointly filed. Signatures are required for all taxpayers listed on Line 1a and 2a.

Corporations. Generally, Form 4506-C can be signed by:

(1) an officer having legal authority to bind the corporation, (2) any person designated by the board of directors or other governing body, or (3) any officer or employee on written request by any principal officer and attested to by the secretary or other officer. A bona fide shareholder of record owning 1 percent or more of the outstanding stock of the corporation may submit a Form 4506-C but must provide documentation to support the requester's right to receive the information.

Partnerships. Generally, Form 4506-C can be signed by any person who was a member of the partnership during any part of the tax period requested on line 8.

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.

Documentation. For entities other than individuals, you must attach the authorization document. For example, this could be the letter from the principal officer authorizing an employee of the corporation or the letters testamentary authorizing an individual to act for an estate.

This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

SCOPE OF WORK: The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject property, (2) inspect the neighborhood, (3) inspect each of the comparable sales from at least the street, (4) research, verify, and analyze data from reliable public and/or private sources, and (5) report his or her analysis, opinions, and conclusions in this appraisal report.

INTENDED USE: The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS: The appraiser's certification in this report is subject to the following assumptions and limiting conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.
2. The appraiser has provided a sketch in this appraisal report to show the approximate dimensions of the improvements. The sketch is included only to assist the reader in visualizing the property and understanding the appraiser's determination of its size.
3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.
5. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.
6. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

APPRAISER'S CERTIFICATION: The Appraiser certifies and agrees that:

1. I have, at a minimum, developed and reported this appraisal in accordance with the scope of work requirements stated in this appraisal report.
2. I performed a complete visual inspection of the interior and exterior areas of the subject property. I reported the condition of the improvements in factual, specific terms. I identified and reported the physical deficiencies that could affect the livability, soundness, or structural integrity of the property.
3. I performed this appraisal in accordance with the requirements of the Uniform Standards of Professional Appraisal Practice that were adopted and promulgated by the Appraisal Standards Board of The Appraisal Foundation and that were in place at the time this appraisal report was prepared.
4. I developed my opinion of the market value of the real property that is the subject of this report based on the sales comparison approach to value. I have adequate comparable market data to develop a reliable sales comparison approach for this appraisal assignment. I further certify that I considered the cost and income approaches to value but did not develop them, unless otherwise indicated in this report.
5. I researched, verified, analyzed, and reported on any current agreement for sale for the subject property, any offering for sale of the subject property in the twelve months prior to the effective date of this appraisal, and the prior sales of the subject property for a minimum of three years prior to the effective date of this appraisal, unless otherwise indicated in this report.
6. I researched, verified, analyzed, and reported on the prior sales of the comparable sales for a minimum of one year prior to the date of sale of the comparable sale, unless otherwise indicated in this report.
7. I selected and used comparable sales that are locationally, physically, and functionally the most similar to the subject property.
8. I have not used comparable sales that were the result of combining a land sale with the contract purchase price of a home that has been built or will be built on the land.
9. I have reported adjustments to the comparable sales that reflect the market's reaction to the differences between the subject property and the comparable sales.
10. I verified, from a disinterested source, all information in this report that was provided by parties who have a financial interest in the sale or financing of the subject property.
11. I have knowledge and experience in appraising this type of property in this market area.
12. I am aware of, and have access to, the necessary and appropriate public and private data sources, such as multiple listing services, tax assessment records, public land records and other such data sources for the area in which the property is located.
13. I obtained the information, estimates, and opinions furnished by other parties and expressed in this appraisal report from reliable sources that I believe to be true and correct.
14. I have taken into consideration the factors that have an impact on value with respect to the subject neighborhood, subject property, and the proximity of the subject property to adverse influences in the development of my opinion of market value. I have noted in this appraisal report any adverse conditions (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) observed during the inspection of the subject property or that I became aware of during the research involved in performing this appraisal. I have considered these adverse conditions in my analysis of the property value, and have reported on the effect of the conditions on the value and marketability of the subject property.
15. I have not knowingly withheld any significant information from this appraisal report and, to the best of my knowledge, all statements and information in this appraisal report are true and correct.
16. I stated in this appraisal report my own personal, unbiased, and professional analysis, opinions, and conclusions, which are subject only to the assumptions and limiting conditions in this appraisal report.
17. I have no present or prospective interest in the property that is the subject of this report, and I have no present or prospective personal interest or bias with respect to the participants in the transaction. I did not base, either partially or completely, my analysis and/or opinion of market value in this appraisal report on the race, color, religion, sex, age, marital status, handicap, familial status, or national origin of either the prospective owners or occupants of the subject property or of the present owners or occupants of the properties in the vicinity of the subject property or on any other basis prohibited by law.
18. My employment and/or compensation for performing this appraisal or any future or anticipated appraisals was not conditioned on any agreement or understanding, written or otherwise, that I would report (or present analysis supporting) a predetermined specific value, a predetermined minimum value, a range or direction in value, a value that favors the cause of any party, or the attainment of a specific result or occurrence of a specific subsequent event (such as approval of a pending mortgage loan application).
19. I personally prepared all conclusions and opinions about the real estate that were set forth in this appraisal report. If I relied on significant real property appraisal assistance from any individual or individuals in the performance of this appraisal or the preparation of this appraisal report, I have named such individual(s) and disclosed the specific tasks performed in this appraisal report. I certify that any individual so named is qualified to perform the tasks. I have not authorized anyone to make a change to any item in this appraisal report; therefore, any change made to this appraisal is unauthorized and I will take no responsibility for it.
20. I identified the lender/client in this appraisal report who is the individual, organization, or agent for the organization that ordered and will receive this appraisal report.

21. The lender/client may disclose or distribute this appraisal report to: the borrower; another lender at the request of the borrower; the mortgagee or its successors and assigns; mortgage insurers; government sponsored enterprises; other secondary market participants; data collection or reporting services; professional appraisal organizations; any department, agency, or instrumentality of the United States; and any state, the District of Columbia, or other jurisdictions; without having to obtain the appraiser’s or supervisory appraiser’s (if applicable) consent. Such consent must be obtained before this appraisal report may be disclosed or distributed to any other party (including, but not limited to, the public through advertising, public relations, news, sales, or other media).

22. I am aware that any disclosure or distribution of this appraisal report by me or the lender/client may be subject to certain laws and regulations. Further, I am also subject to the provisions of the Uniform Standards of Professional Appraisal Practice that pertain to disclosure or distribution by me.

23. The borrower, another lender at the request of the borrower, the mortgagee or its successors and assigns, mortgage insurers, government sponsored enterprises, and other secondary market participants may rely on this appraisal report as part of any mortgage finance transaction that involves any one or more of these parties.

24. SUPERVISORY APPRAISER’S CERTIFICATION: The Supervisory Appraiser certifies and agrees that:

1. I directly supervised the appraiser for this appraisal assignment, have read the appraisal report, and agree with the appraiser’s analysis, opinions, statements, conclusions, and the appraiser’s certification.
2. I accept full responsibility for the contents of this appraisal report including, but not limited to, the appraiser’s analysis, opinions, statements, conclusions, and the appraiser’s certification.

Uniform Residential Appraisal Report

This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD), based on an interior and exterior inspection of the subject property. This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

Use

This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD), based on an interior and exterior inspection of the subject property. This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

Modifications, Additions, or Deletions

This appraisal report is subject to the scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications contained in the report form. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization are permitted.

Scope of Work

The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject property, (2) inspect the neighborhood, (3) inspect each of the comparable sales from at least the street, (4) research, verify, and analyze data from reliable public and/or private sources, and (5) report his or her analysis, opinions, and conclusions in this appraisal report.

Required Exhibits

- A street map that shows the location of the subject property and of all comparables that the appraiser used;
- An exterior building sketch of the improvements that indicates the dimensions. The appraiser must also include calculations to show how he or she arrived at the estimate for gross living area. A floor plan sketch that indicates the dimensions is required instead of the exterior building or unit sketch if the floor plan is atypical or functionally obsolete, thus limiting the market appeal for the property in comparison to competitive properties in the neighborhood;
- Clear, descriptive photographs (either in black and white or color) that show the front, back, and a street scene of the subject property, and that are appropriately identified. (Photographs must be originals that are produced either by photography or electronic imaging.);
- Clear, descriptive photographs (either in black and white or color) that show the front of each comparable sale and that are appropriately identified. Generally, photographs should be originals that are produced by photography or electronic imaging; however, copies of photographs from a multiple listing service or from the appraiser's files are acceptable if they are clear and descriptive;
- Any other data--as an attachment or addendum to the appraisal report form--that are necessary to provide an adequately supported opinion of market value.

Loan Disclosures

Assumption

If you sell or transfer this property to another person, your lender

- ☐ will allow, under certain conditions, this person to assume this loan on the original terms.
- ☒ will not allow assumption of this loan on the original terms.

Demand Feature

Your loan

- ☐ has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.
- ☒ does not have a demand feature.

Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- ☐ are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- ☐ may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- ☒ do not have a negative amortization feature.

Partial Payments

Your lender

- ☒ may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- ☐ may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- ☐ does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in
456 Somewhere Ave., Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

- ☒ will have an escrow account (also called an “impound” or “trust” account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: <i>Homeowner’s Insurance</i> <i>Property Taxes</i>
Non-Escrowed Property Costs over Year 1	\$1,800.00	Estimated total amount over year 1 for your non-escrowed property costs: <i>Homeowner’s Association Dues</i> You may have other property costs.
Initial Escrow Payment	\$412.25	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.

☐ will not have an escrow account because ☐ you declined it ☐ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner’s insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow		
Estimated Property Costs over Year 1		Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee		

In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

Appraisal

If the property was appraised for your loan, your lender is required to give you a copy at no additional cost at least 3 days before closing. If you have not yet received it, please contact your lender at the information listed below.

Contract Details

See your note and security instrument for information about

- situations in which your lender can require early repayment of the loan, and
- the rules for making payments before they are due.

Liability after Foreclosure

If your lender forecloses on this property and the foreclosure does not cover the amount of unpaid balance on this loan,

- ☒ state law may protect you from liability for the unpaid balance. If you refinance or take on any additional debt on this property, you may lose this protection and have to pay any debt remaining even after foreclosure. You may want to consult a lawyer for more information.
- ☐ state law does not protect you from liability for the unpaid balance.

Refinance

Refinancing this loan will depend on your future financial situation, the property value, and market conditions. You may not be able to refinance this loan.

Notice of Special Flood Hazards and Availability of Federal Disaster Relief Assistance

Notice is Given By: INFORMATIVE RESEARCH-TEST ACCOUNT
To: PETAL, ROSE
Property Location: 7149 LA LENAIRE DR
 LONGBOAT KEY, FL 34228-4228

Loan Number: 1605000040
Order Number: 2135802063
Determination Date: 09/20/2016

☒ **Notice of Property IN Special Flood Hazard Area (SFHA)**

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards. The area has been identified by the Administrator of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's *Flood Insurance Rate Map* or the *Flood Hazard Boundary Map* for the following community:
LONGBOAT KEY, TOWN OF - 12081C0283E

This area has a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%). Federal law allows a lender and borrower jointly to request the Administrator of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

Escrow Requirement for Residential Loans: Federal law may require a lender or its servicer to escrow all premiums and fees for flood insurance that covers any residential building or mobile home securing a loan that is located in an area with special flood hazards. If your lender notifies you that an escrow account is required for your loan, then you must pay your flood insurance premiums and fees to the lender or its servicer with the same frequency as you make loan payments for the duration of your loan. These premiums and fees will be deposited in the escrow account, which will be used to pay the flood insurance provider.

☒ **Notice of Property in a Participating Community**

The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- ∞ At a minimum, flood insurance purchased must cover *the lesser of*:
 - (1) the outstanding principal balance of the loan; or
 - (2) the maximum amount of coverage allowed for the type of property under the NFIP.
- ∞ Flood insurance coverage under the NFIP is limited to the building or mobile home and any personal property that secures your loan and not the land itself.
- ∞ Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.
- ∞ Although you may not be required to maintain flood insurance on all structures, you may still wish to do so, and your mortgage lender may still require you to do so to protect the collateral securing the mortgage. If you choose not to maintain flood insurance on a structure and it floods, you are responsible for all flood losses relating to that structure.
- ∞ Availability of Private Flood Insurance Coverage: Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance that provides the same level of coverage as a standard flood insurance policy under the NFIP may be available from private insurers that do not participate in the NFIP. You should compare the flood insurance coverage, deductibles, exclusions, conditions and premiums associated with flood insurance policies issued on behalf of the NFIP and policies issued on behalf of private insurance companies and contact an insurance agent as to the availability, cost, and comparisons of flood insurance coverage.

☐ **Notice of Property in a Non-Participating Community**

Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally declared flood disaster.

☐ **Notice of Property NOT IN Special Flood Hazard Area (SFHA)**

The building or mobile home securing the loan for which you have applied is not currently located in an area designated by the Administrator of FEMA as an SFHA. NFIP Flood insurance is not required, but may be available. If, during the term of this loan, the subject property is identified as being in an SFHA, as designated by FEMA, you may be required to purchase and maintain flood insurance at your expense.

INSTRUCTIONS FOR VA FORM 26-1880

SECTION I. VETERAN'S IDENTIFYING INFORMATION

Item 1 - Tell us your complete name, *as you would like it to appear on your Certificate of Eligibility (COE)*. If this name is different than what is shown on your service documents or in VA records provide documentation such as a marriage certificate, divorce decree, or court document to support the request. Do **NOT** send originals, copies of these documents are acceptable.

Item 2A - Indicate if you served under another name, provide the name as it appears on your discharge certificate (DD Form 214).

Item 2B - Provide the name as it appears on your discharge certificate (DD Form 214)

Item 9B - In most cases your claim number is the same as your Social Security number. If you are not sure about this number, leave this field blank.

SECTION II. MILITARY SERVICE INFORMATION

Item 10A - Indicate if you are currently serving on active duty.

Item 10B - The VA funding fee **may not** be collected from a member of the Armed Forces who is currently serving on active duty and has been awarded the Purple Heart. You may be asked to provide evidence of having been awarded the Purple Heart. **Note:** Activations under Title 32 orders are not considered active duty for the purpose of a funding fee exemption.

Item 10C - The VA funding fee may not be collected from a veteran who rated eligible to receive compensation as the result of a pre-discharge disability examination and rating or based on a pre-discharge review of existing medical evidence (including service medical and treatment records) that results in the issuance of a memorandum rating. **Note:** If the proposed or memorandum rating is not obtained and a closing takes place, the funding fee exemption does not apply, and the service-member will not be entitled to a refund.

Items 11A and 11B - List your periods of military service.

Item 11A - Active Service: full-time duty in the Armed forces, other than active duty for training. The best evidence to show your service is your discharge certificate (DD Form 214), which indicates both character of service and the narrative reason for separation. A copy is acceptable. **Note:** Cases involving other than honorable discharges will usually require further development by VA. This is necessary to determine if the service was under other than dishonorable conditions.

If you are **currently serving on regular active duty**, eligibility can usually be established based on data in VA systems. However, in some situations you may be asked to provide a statement of service signed by, or by direction of, the adjutant, personnel officer, or commander of your unit or higher headquarters. The statement may be in any format; usually a standard or bulleted memo is sufficient. It should identify you by name and social security number and provide: (1) your date of entry on your current active-duty period and (2) the duration of any time lost (or a statement noting there has been no time lost). Generally, this should be on military letterhead.

National Guard members who served full time duty (only includes activations considered Full Time National Guard duty that is not inactive duty) under Title 32, U.S.C. sections 316, 502, 503, 504 or 505, may provide a DD Form 220, DD Form 214 or Report of Active Service, accompanied by orders for the same period is also acceptable. Copies are acceptable. If you are still serving on the activation, you should provide a statement of service that indicates (1) your date of entry on your current active-duty period and (2) the duration of any time lost (or a statement noting there has been no time lost), type of orders, if orders are for training, entry date for your current activation. Generally, this should be on military letterhead.

Item 11B - National Guard Service/Selected Reserve Service: You may submit for Selected Reserve Service Retirement Points Accounting and evidence of discharge which indicates the character of service, or their equivalent. For National Guard Service you may submit NGB Form 22, Report of Separation and Record of Service or NGB Form 23, Retirement Points Accounting, or their equivalent. If you are still serving in the Selected Reserves or the National Guard, you must include an original statement of service signed by, or by the direction of, the adjutant, personnel officer, or commander of your unit or higher headquarters showing your date of entry and the number of creditable years (years in which you earned more than 15 points). At least 6 years of honorable service must be documented.

SECTION III - INFORMATION REGARDING PREVIOUS LOANS

Your eligibility is reusable depending on the circumstances. Generally, if you have paid off your prior VA loan and no longer own the home, you can have your used eligibility restored for additional use. Also, on a one-time only basis, you may have your eligibility restored if your prior VA loan has been paid in full but you still own the home. Generally, VA receives notification that a loan has been paid. In some instances, it may be necessary to include evidence that a previous VA loan has been paid in full. Evidence can be in the form of a paid-in-full statement from the former lender, a satisfaction of mortgage from the clerk of court in the county where the home is located, or a copy of the HUD-1 or Closing Disclosure settlement statement completed in connection with a sale of the home or refinance of the prior loan. Many counties post public documents (like the satisfaction of mortgage) online.

ITEM 12 - Indicate how you will use your certificate of eligibility.

ITEM 13A - Indicate if you have ever had a VA-guaranteed home loan.

ITEM 13B - Indicate if you still **own** any homes you financed with a VA-guaranteed loan.

ITEMS 14D, 15D, 16D - Select the applicable type of restoration being requested. Indicate if you are applying for a restoration of entitlement.

- **Regular (cash-out) Refinance** - You may refinance your current VA or non-VA loan in order to pay off the mortgage and/or other liens of record on the home. This type of refinance requires an appraisal and credit qualifying.
- **Interest Rate Reduction Refinancing Loan (IRRRL)** - You may refinance the balance of your current VA loan in order to obtain a lower interest rate or convert a VA adjustable rate mortgage to a fixed rate. The new loan may not exceed the sum of the outstanding balance on the existing VA loan, plus allowable fees and closing costs, including VA funding fee and up to 2 discount points. You may also add up to \$6,000 of energy efficiency improvements into the loan.
- **One-Time Restoration.** If you have paid off your VA loan, but still own the home purchased with that loan, you may apply for a one-time only restoration of your entitlement in order to purchase another home that will be your primary residence. Once you have used your one-time restoration, you must sell all homes before any other entitlement can be restored.

ITEM 17A - Disaster related. Indicate if you still own a home that was destroyed or substantially damaged by a Federally Declared Natural Disaster.

Instructions

Verification of Employment

The lender uses this form for applications for conventional first or second mortgages to verify the applicant's past and present employment status.

Copies

Original only.

Printing Instructions

This form must be printed on letter size paper, using portrait format.

Instructions

The applicant must sign this form to authorize his or her employer(s) to release the requested information. Separate forms should be sent to each firm that employed the applicant in the past two years. However, rather than having an applicant sign multiple forms, the lender may have the applicant sign a borrower's signature authorization form, which gives the lender blanket authorization to request the information it needs to evaluate the applicant's creditworthiness. When the lender uses this type of blanket authorization, it must attach a copy of the authorization form to each Form 1005 it sends to the applicant's employer(s).

For First Mortgages:

The lender must send the request directly to the employers. We will not permit the borrower to hand-carry the verification form. The lender must receive the completed form back directly from the employers. The completed form should not be passed through the applicant or any other party.

For Second Mortgages:

The borrower may hand-carry the verification to the employer. The employer will then be required to mail this form directly to the lender.

The lender retains the original form in its mortgage file.
